MEMORANDUM FOR: Associate Deputy to the DCI for the IC
SUBJECT : Murphy Commission Report

STAT

1. [] advises that a letter from the NSC Staff will arrive shortly requesting DCI comments on the Murphy Commission report. Comments on the overall report are due to NSC on 23 July, but [] was advised that comments on Chapter 7, "The Organization of Intelligence," will be due on 19 July. Chapter 7 includes 14 recommendations.

STAT

2. [] and I are now reviewing these recommendations to see which ones call for an IC contribution.

STAT

3. I do not know which office will be assigned responsibility for preparing the overall comments of the DCI, but this may fall to IC, although, obviously, DDI and DDO, in particular, will have to make inputs.
